Subject: Paradichlorobenzene  
EPA Registration No. 1475-21  
Your letter of February 19, 1999

Dear Ms. Hantak:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable. A stamped copy of the label is enclosed for your record.

The following additional brand names have been approved for your product:

Paradichlorobenzene Size A- 300 lbs.  
Paradichlorobenzene Size BC- 300 lbs.  
Paradichlorobenzene Size D- 55 lbs. and 300 lbs.

In the future, you should submit additional brand names as notifications. If you have any questions, you may call Grace M. Robiou at 703-305-1016.

Sincerely yours,

Daniel B. Peacock, Biologist  
Insecticide-Rodenticide Branch  
Registration Division (7504C)

### PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**WARNING:** Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Causes eye, skin, and respiratory tract irritation. Wear goggles or face shield. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

**NOTICE:** This product contains a chemical known to the State of California to cause cancer. This conclusion was based on scientific studies performed on laboratory animals.

#### FIRST AID

**IF SWALLOWED:** Call a physician or Poison Control Center. Do not induce vomiting. Drink promptly a large quantity of water. Avoid alcohol.

**IF ON SKIN:** Wash with plenty of soap and water. If symptoms persist, get medical attention.

**IF IN EYES:** Hold eyelids open and flush with steady, gentle stream of water for 15 minutes. Get medical attention.

Probable mucosal damage may contraindicate the use of gastric lavage.

#### ENVIRONMENTAL HAZARDS:

Do not discharge effluent containing this product into lakes, streams ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

EPA REG. NO. 1475-21

EPA EST. 1475-MO-1

Distributed by:  
WILLERT HOME PRODUCTS, INC.  
4044 Park Avenue  
St. Louis, MO 63110

**ACCEPTED**  
MAR - 4 1999  
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 1475-21

### DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling. An insecticide only for formulation into registered end-use products for moth control. This product is intended for use in the manufacture of moth control products for use with clothing in air-tight containers (e.g., chests and trunks), garment bags, and storage closets. It is the responsibility of the manufacturer of such products to develop specific directions for use that are appropriate and in compliance with all applicable government regulations. If assistance is required, contact Willert Home Products or the headquarters office of the EPA.

#### • STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal.

#### • STORAGE:

Do not use or store near heat or open flame. Do not exceed temperatures of 100° F (38° C). Avoid breathing dust or vapors. Use with adequate ventilation. In case of spill: Sweep up spilled material and place in original container for use or disposal.

#### • PESTICIDE DISPOSAL:

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

#### • CONTAINER DISPOSAL:

**Fiber Drum Disposal:** Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

**Paper and Plastic Bag Disposal:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
