Combustible. Do not store near heat or open flame.

272

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, stream, ponds, estuaries, oceans or other water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For formulation into an insecticide intended for moth control of clothing and other articles in air-tight containers (e.g. chests and trunks), garment bags and other storage containers and storage closets. It is the responsibility of the manufacturer of such products to develop specific directions for use that are appropriate and in compliance with applicable government regulations. If assistance is required, contact Willert Home Products or the Office of Pesticide Programs at EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage:

Do not use or store near heat or open flame. Do not exceed temperatures of 100° F (38° C). Avoid breathing dust or vapors. Use and store with adequate ventilation. Sweep up spilled material and place in original container for use or disposal.

Pesticide Disposal:

Pesticide wastes are toxic. Improper disposal of pesticide wastes is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal:

Fiber Drum Disposal: Completely empty drum by shaking and tapping the sides and bottom to loosen cling particles. Empty residue into application equipment. Then dispose of drum in a sanitary landfill or by incineration if allowed by State and local authorities.

Paper and Plastic Bag Disposal: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration if allowed by State and local authorities.
