

**U.S. ENVIRONMENTAL PROTECTION AGENCY**  
Office of Pesticide Programs  
Registration Division (7504P)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. #  
**1475-21**

Date of Issuance:  
**MAY 2 2014**

**NOTICE OF PESTICIDE:**

Registration  
 Reregistration  
(under FIFRA, as amended)

Terms of Issuance:  
**Unconditional**

Name of Pesticide Product:  
**Paradichlorobenzene**

**Kathie Tryson**  
**Willert Home Products**  
**4044 Park Avenue**  
**St. Louis, MO 63110**

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA grants this reregistration under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA). With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for **Paradichlorobenzene** have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of FIFRA, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

**Confidential Statement of Formula**

The acceptable Confidential Statement of Formula (CSF) on record for this product is:

1 Basic CSF - dated 05/11/11

Any previously dated CSFs are superseded.

**(next page)**

**Existing Stocks Provisions**

2/4

Stocks of product with existing labels may be used for 12 months. A copy of your label stamped "Accepted" is enclosed for your records. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. If you have any questions regarding this label, please contact Gene Benbow at (703) 347-0235 or via email at [benbow.gene@epa.gov](mailto:benbow.gene@epa.gov).

HOT LINE NUMBER	
Have the container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center (NPIC) at 1-800-858-7378 for emergency medical treatment information.	
NOTE TO PHYSICIAN	
Probable mucosal damage may contraindicate the use of gastric lavage.	

### PHYSICAL OR CHEMICAL HAZARDS

Combustible. Do not store near heat or open flame.

**ENVIRONMENTAL HAZARDS**

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Eliminations System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an *insecticide/repellent* for the following uses: For moth and carpet beetle control of human clothing and other household/domestic dwelling contents in air-tight containers (e.g. chests and trunks), garment bags and other storage containers and storage closets, and to repel lice and mites from bird cages.

It is the responsibility of the manufacturer of such products to develop specific directions for use that are appropriate and in compliance with applicable government regulations. If assistance is required, contact Willert Home Products or the Office of Pesticide Programs at U.S. EPA.

This product may be used to formulate products for any additional uses not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such uses.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Do not use or store near heat or open flame. Do not exceed temperatures of 100° F (38° C). Avoid breathing dust or vapors. Use and store with adequate ventilation. Sweep up spilled material and place in original container for disposal.

**Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of pesticide wastes is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Disposal:** Nonrefillable container. Do not reuse or refill this container.

**Fiber Drum Disposal:** Completely empty drum by shaking and tapping the sides and bottom to loosen clinging particles. Empty residue into manufacturing equipment. Then dispose of drum in a sanitary landfill, or by incineration if allowed by State and local authorities, or offer for recycling, if available.

**Paper and Plastic Bag Disposal:** Completely empty bag into manufacturing equipment. Then dispose of empty bag in a sanitary landfill, or by incineration if allowed by State and local authorities, or offer for recycling, if available.
