Subject: ENOZ Delicately-Scented Bouquet Aire Hang-Up
EPA Reg. No. 1475-30
Your letter of May 19, 1998

Dear Ms. Hantak:

The revised labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided that you make the following changes and submit one (1) copy to us before you ship product:

1. Since the product is less than 16 ounces, remove all references to closet because there is not enough product to treat an entire closet.
2. In application directions, replace "Open envelope, take out cakes and remove cellophane." to "Unwrap each cake, and while holding them by their cellophane wrapper, transfer each back to the hang-up container."
3. Change the statement "Prevents moth infestation regardless of fabric type" to "For use only on cloth containing wool or wool blends."
4. Revise the Ingredient Statement as follows:

ACTIVE INGREDIENT:
Paradichlorobenzene99.59%
INERT INGREDIENT : . . .0.41%
TOTAL 100.00%

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records. If you have any questions, please contact my assistant, Amy Caicedo on (703) 308-9399.

Sincerely yours,

Dan Peacock, Biologist
Insecticide, Rodenticide Branch
Registration Division (7505C)

Enclosures: 1) stamped label 2) A-79 enclosure

F:\user\acaicedo\1475-130 revise label .wpd;[Paradichlorobenzene] 308-9399:8/27/98

FIRST AID: IF SWALLOWED: Call a physician or Poison Control Center. Do not induce vomiting. Drink promptly a large quantity of water. Avoid alcohol. **IF ON SKIN:** Wash with plenty of soap and water. If symptoms persist, get medical attention. **IF IN EYES:** Hold eyelids open and flush with steady, gentle stream of water for 15 minutes. Get medical attention. Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL: Storage: Store only in original container, in a cool, dry place inaccessible to children and pets. Disposal: Do not reuse empty container (or packaging). Securely wrap in newspaper and discard in trash.

EPA REG. NO. 1475-30 EPA EST. 1475-MO-1

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Causes eye, skin, and respiratory tract irritation. Wear safety glasses. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

NOTICE: This product contains a chemical known to the State of California to cause cancer. This conclusion was based on scientific studies performed on laboratory animals.

Net Wt. 5 oz. (141.7g)
KEEP OUT OF REACH OF CHILDREN.
WARNING: SEE BACK PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.
ACTIVE INGREDIENT: Paradichlorobenzene 99.65%
INERT INGREDIENTS: .35%
TOTAL: 100.00%

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 1475-30

SEP 29 1998

ACCEPTED WITH COMMENTS in EPA Letter Dated:

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

KILLS CLOTHES MOTHS AND CARPET BEETLES

Use Restrictions: Kills clothes moths (larvae and adults) and carpet beetles in clean, air-tight containers (e.g., chests and trunks), garment bags, and storage closets. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this product with any other moth control chemical. As Paradichlorobenzene damages some plastics, use only in polyethylene or polypropylene containers.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected. Prevents moth infestation regardless of fabric type.

Application Directions: Open envelope, take out cakes and remove cellophane. Apply product in clean, air-tight containers listed above at the rate of 5 ounces for 30 cubic feet of confined space. For a garment bag, multiply the length, width and height and divide by 5400" to determine the number of ounces of product needed. For example, a garment bag 54" long, 32" wide and 16" deep (i.e. 27,648 cubic inches) would need 5.1 ounces of product.

Post-Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers, bags, and closets 2 times a year or when product has dissipated.

MADE IN U.S.A. No. 29

Handwritten calculations:

$$\frac{16}{50} \times \frac{1}{16} = 16 \text{ cu ft} \times 2.66 = 4.5$$

$$16 \text{ cu ft} \times 1.33 = 21.28$$
