ACCEPTED

JUN 14 1996

Manufactured in accordance with the Federal Food, Drug, and Cosmetic Act, as amended, for the products registered under E.A. Reg. No. 1475-40

moth cake

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. Be sure articles are thoroughly brushed or cleaned.
2. Use one cake for every 20 cubic feet of tightly enclosed space for moth protection; every 10 cu. ft. for mildew protection.
3. Open flap, remove moth cake from box. Take off cellophane wrap... replace cake in box. Punch out all vent holes.
4. Attach box at top of garment bag (or hanger) or to a wire, because vapors work downward.
5. Check from time to time...replace with new Enoz Moth Cake when down to 1/3 of original size.
6. Do not place in contact with plastic items as paradichlorobenzene damages some plastics.
7. Do not use with any other moth preventive chemical.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.
