CEDAR SCENTED MILDEW CAKE

MASKS MUSTY ODORS

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. Remove cellophane from cake and replace in container. Punch out all vent holes.
2. For Mildew—Clean away any mildew present. Use one cake for every 10 cubic feet of confined space.
3. For Moths—Thoroughly clean all articles to be stored. Use one cake for every 20 cubic feet of confined space. Keep storage area tightly closed at all times.
4. Replace with new package when cake is down to 1/3 of original size. Tightly enclosed storage space should be left closed for at least 7 days after addition of cake.
5. Do not use with other household chemicals.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.
