***GIVES STORAGE SPACE A CEDAR SCENT***

**DIRECTIONS**

1. Open bottom flap, remove cake from box. Take off protective cellophane wrap. Replace cake in box and close flap.
2. Hang or place box above garments or other articles to be protected.
3. Articles to be stored should be cleaned or thoroughly brushed before storing.
4. Keep storage space tightly closed during storage period.

Will protect up to 20 cubic feet of tightly enclosed storage space. Cake will evaporate. Replace as needed.

**ACTIVE INGREDIENTS:** Paradichlorobenzene . . . 99.75%  
Perfumes . . . . . . . . . . 0.25%
