RETARDS MILDEW
KILLS MOTHS

CAUTION: KEEP OUT OF REACH OF CHILDREN -

Active Ingredient: Para-dichlorobenzene 39.7%
Inert Ingredient: Perfume 1.5%

NET WT. 9 OZ. (255g)

DIRECTIONS

TO KILL MOTHS—Thoroughly clean or brush articles to be stored. Remove all cellophane from the block and hang block above stored articles in tightly sealed closet, garment bag or storage container. Use one block for each 30 cubic feet of space. If storage container is opened occasionally, hang additional block or blocks and re-seal container.

TO FRESHEN CLOSETS—Just hang in closet after removing all of the cellophane. It is advisable to keep block from touching fabrics since it contains fragrant perfume oils that may stain, just as your personal perfume may.
