Net Contents: 11 oz. (311.85g)

Under the Federal Insecticide,
 Fungicide, and Rodenticide Act
 as amended, for the pesticide
 registered under EPA Reg. No.
1475-113

BACK LABEL:

Directions for Use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Use Restrictions: This product can treat up to 34.4 cubic feet. Kills Clothes moths and Carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected. Prevents moth infestation regardless of fabric type.

Application Directions: Unwrap the bar and while holding bar by the cellophane wrapper hang at the top of the storage container. The vapors work downward. Keep product in airtight space for a minimum of 7 days. When bar has dissipated replace with new unit. Odor quickly vanishes when articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers and bags 2 times a year.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING. Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Causes eye, skin, and respiratory tract irritation. Wear safety glasses. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

6/17

NOTICE: This product contains a chemical known to the State of California to cause cancer.

Use Restrictions: This product can treat up to 29.7 cubic feet. Kills Clothes moths and Carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected. Prevents moth infestation regardless of fabric type.

Application Directions: Open package. Unwrap each cake, and while holding cake by the cellophane wrapper, transfer into the plastic case. Place the filled plastic case at the top of the storage container. The vapors work downward. Keep product in airtight space for a minimum of 7 days. When cake has dissipated replace with new refill cake. Odor quickly vanishes when articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers and bags 2 times a year.

RE: ENOZ Moth Bar
EPA Reg. No. 1475-113

Dear Dan,

Per our conversation, enclosed is our letter date 9 March 2004 including notification and certification statement, per PR Notice 98-10 Section VI, to add Potpourri as an additional scent to the ENOZ Moth Bar.

I am also including 5 copies of the master label EPA approved 12-15-03. Please note the Potpourri scent is already included in this registration. Refer to sublabel B (4) ENOZ Moth Blox Potpourri Scented.

If you have any questions please contact me at 314-659-1453.

Sincerely,

Susan M. Hantak
Executive Vice President
