KEEP OUT OF REACH OF CHILDREN

**WARNING**

See back panel for additional precautionary statements.

Net Contents: 11 oz. (311.85g)

**BACK LABEL:**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Use Restrictions:** This product can treat up to 34.4 cubic feet. Kills Clothes moths and Carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals.

**Pre-Application Directions:** Before storing, dry clean, wash or brush articles to be protected. Prevents moth infestation regardless of fabric type.

**Application Directions:** Unwrap the bar and while holding bar by the cellophane wrapper hang at the top of the storage container. The vapors work downward. Keep product in airtight space for a minimum of 7 days. When bar has dissipated replace with new unit. Odor quickly vanishes when articles are aired.

**Retreatment:** Since moths are active all year, replenish air-tight containers and bags 2 times a year.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals.**

**WARNING**

Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin and respiratory tract irritation. Avoid breathing dust or vapors. Wear safety glasses. Do not get in eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

NOTICE: This product contains a chemical known to the State of California to cause cancer.

FIRST AID	
If swallowed	<ul style="list-style-type: none"> <li>• Call poison control center or doctor immediately for treatment advice.</li> <li>• Have person drink several glasses of water.</li> <li>• Do not induce vomiting.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul>
If in eyes	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
If on skin or clothing	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
If inhaled	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
HOT LINE NUMBER	
Have the container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center (NPIC) at 1-800-858-7378 for emergency medical treatment information.	
NOTE TO PHYSICIAN	
Probable mucosal damage may contraindicate the use of gastric lavage.	

**PHYSICAL OR CHEMICAL HAZARD:** Combustible. Do not use or store near heat or open flame.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in the original container, in a dry place inaccessible to children and pets.

**DISPOSAL: If empty:** Do not reuse empty container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
