SEP 11 2008

Subject: Notification(s) for Label Revisions under PRN 2007-4, 97-6, and PRN 98-10

1. Product Composition (odor) – addition of phrases New Improved Lavender Scent, Improved Cedar Scent, and New Linen Scent
2. Non-Pesticidal Characteristics - use of other ingredient in the ingredient statement
3. Revision of Non-FIFRA Related Label Elements – corrected net weight statements

Dear Ms. Tryson:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notices (PRN) 98-10 and 2007-4 dated August 26, 2008 for:

**EPA Registration 1475-113**

**ENOZ Moth Bar**

The Registration Division (RD) has conducted a review of the request(s) for applicability under PRN 98-10 and PRN 2007-4 and finds that the label changes requested fall within the scope of PRN-98-10 and PRN-2007-4. The label has been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identify the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

2/17

If you have any questions, please contact me directly at 703-305-6249 or Nicole Williams of my staff at 703-308-5551.

Sincerely,

Linda Arrington

## NOTIFICATION PER PR NOTICES 98-10, 2007-4 & 97-6

August 26, 2008

Mr. John Hebert, Product Manager 7  
Document Processing Desk (NOTIF)  
Office of Pesticide Programs (7504P)  
US Environmental Protection Agency  
Room S-4900, One Potomac Yard  
2777 South Crystal Drive  
Arlington, VA 22202

**Subject:** Notification of Label Changes per PR Notices 98-10, 2007-4, & 97-6  
**ENOZ® Moth Bar**  
**EPA Reg. No. 1475-113**

Dear Mr. Hebert:

Enclosed please find our Notification of label change per PR Notice 98-10 to add the optional marketing phrases New Improved Lavender Scent!, New Improved Cedar Scent!, and New Linen Scent! for a period of six months beginning when our products with these claims are first sold or distributed. The Agency recently approved new fragrances for use in this formula and we plan to introduce them to the marketplace shortly. We are also adding the phrase Linen Scented for use when our six months have expired. We are also taking this opportunity to add "Nonrefillable container. Do not reuse or refill this container." to the Disposal section per PR Notice 2007-4, to change "Inert ingredients" to "Other ingredients" per PR Notice 97-6, and to correct net weight statements throughout the label. The following documents are included:

1. One application on EPA Form 8750-1
2. Two copies of revised labeling, one with the changes highlighted.
3. One copy of our most recent stamped accepted label for your reference.

*This notification is consistent with the guidance in PR Notices 2007-4, 97-6 and 98-10 and the requirements of EPA's regulations at 40 CFR §§156.10, 156.140, 156.144, 156.146 and 156.156. No other changes have been made to the labeling or the Confidential Statement of Formula for this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if the amended label is not consistent with the requirements of 40 CFR §§156.10, 156.140, 156.144, 156.146 and 156.156, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.*

Please call me at 314-649-1430 or email me at [ktryson@willert.com](mailto:ktryson@willert.com) if you need further information. Thank you very much for your attention to our amendment.

Sincerely,

  
Kathie J. Tryson

**[New Improved Lavender Scent!]**

**[New Linen Scent!]**

**Protects Clothing**

Kills Clothes Moths and Carpet Beetles and Their Eggs and Larvae,

Aids in Mildew Control, When Used In Air-Tight Containers

This product can treat up to 34.4 cu. ft.

ACTIVE INGREDIENT: Paradichlorobenzene..... 99.68%

OTHER INGREDIENTS:..... 00.32%

TOTAL:..... 100.00%

KEEP OUT OF REACH OF CHILDREN

**WARNING**

See back panel for additional precautionary statements.

Net Weight: 11 oz. (311g)

**[BACK LABEL]**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Use Restrictions:** This product can treat up to 34.4 cubic feet. Kills clothes moths and carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals.

**Pre-Application Directions:** Before storing, dry clean, wash or brush articles to be protected. Prevents moth infestation regardless of fabric type.

**Application Directions:** Unwrap the bar and while holding bar by the cellophane wrapper hang at the top of the storage container. The vapors work downward. Keep product in airtight space for a minimum of 7 days. When bar has dissipated replace with new unit. Odor quickly vanishes when articles are aired.

**Retreatment:** Since moths are active all year, replenish air-tight containers and bags 2 times a year.

### STORAGE AND DISPOSAL

**STORAGE:** Store in the original container, in a dry place inaccessible to children and pets.

**DISPOSAL: If empty:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**WARNING.** Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin and respiratory tract irritation. Avoid breathing dust or vapors. Wear safety glasses. Do not get in eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

**NOTICE:** This product contains a chemical known to the State of California to cause cancer.

FIRST AID	
If swallowed	<ul style="list-style-type: none"> <li>• Call poison control center or doctor immediately for treatment advice.</li> <li>• Have person drink several glasses of water.</li> <li>• Do not induce vomiting.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul>

**SUBLABEL E****FRONT LABEL:****ENOZ® Moth Killer****[Cedar Scented] [Lavender Scented] [Potpourri Scented] [Linen Scented]***Optional Marketing Claims to be used for six months:***[New Improved Cedar Scent!]****[New Improved Lavender Scent!]****[New Linen Scent!]****Protects Clothing**

Kills Clothes Moths and Carpet Beetles and Their Eggs and Larvae,

Aids in Mildew Control, When Used In Air-Tight Containers

This product can treat up to 28.1 cu. ft.

ACTIVE INGREDIENT: Paradichlorobenzene..... 99.68%

OTHER INGREDIENTS:..... 00.32%

TOTAL:..... 100.00%

**KEEP OUT OF REACH OF CHILDREN****WARNING**

See back panel for additional precautionary statements.

Net Weight: 9 oz. (255g)

**BACK LABEL:****DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Use Restrictions:** This product can treat up to 28.1 cubic feet. Kills clothes moths and carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals.

**Pre-Application Directions:** Before storing, dry clean, wash or brush articles to be protected. Prevents moth infestation regardless of fabric type.

**Application Directions:** Open plastic case. Unwrap each cake, and while holding cake by the cellophane wrapper, transfer back into the plastic case. Place the filled plastic case at the top of the storage container. The vapors work downward. Keep product in airtight space for a minimum of 7 days. When cakes have dissipated replace with refill cakes. Odor quickly vanishes when articles are aired.

**Retreatment:** Since moths are active all year, replenish air-tight containers and bags 2 times a year.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in the original container, in a dry place inaccessible to children and pets.

**DISPOSAL: If empty:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS****HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING.** Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin and respiratory tract irritation. Avoid breathing dust or vapors. Wear safety glasses. Do not get in eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

**NOTICE:** This product contains a chemical known to the State of California to cause cancer.
