Registration Division (7504P)
1200 Pennsylvania Ave , N W
Washington, D C 20460

EPA Reg #
1475-113

Date of Issuance

JUL 9 2012

NOTICE OF PESTICIDE
 Registration
 X Reregistration
(under FIFRA, as amended)

Terms of Issuance
Unconditional

Name of Pesticide Product
Enoz Moth Bar

Kathie Tryson
Willert Home Products
4044 Park Avenue
St Louis, MO 63110

Note Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce In any correspondence on this product always refer to the above EPA registration number

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others

EPA grants this reregistration under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for **Paradichlorobenzene** have been satisfied Therefore, EPA reregisters the product listed above This action is taken under the authority of section 4(g)(2)(c) of FIFRA, as amended Reregistration under this section does not eliminate the need for continual reassessment of pesticides EPA may require submission of data at any time to maintain the registration of your product

Confidential Statement of Formula

The acceptable Confidential Statements of Formula (CSF) on record for this product are

- 1 Basic CSF - dated 02/09/12
- Alternate CSF #1- dated 02/09/12

Any previously dated CSFs are superseded

Existing Stocks Provisions

Stocks of product with existing labels may be used for 18 months. A copy of your label stamped "Accepted" is enclosed for your records. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. If you have any questions regarding this label, please contact Gene Benbow at (703) 347-0235 or via email at benbow_gene@epa.gov
