BACK LABEL:

Enoz Moth-Tek Moth Ball Packets (Reefer-Galler Moth-Tek Snowwhite Moth Ball Packets) were specially developed to provide the unsurpassed protection of mothballs without the harsh smell and messy residue. Enoz Moth-Tek (Reefer-Galler Moth Tek) combines one of the most effective mothproofing ingredients available with a fresh lavender (cedar) scent to create a hard-working mothball that actually smells good! These fresh-smelling mothballs are enclosed in breathable paper packets, which allow the active ingredients to work while protecting you and your clothes from messy flakes and residue.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: This product can treat up to 18.75 cubic feet. Kills Clothes moths and Carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers.

Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals or placed on painted, polished or plastic surfaces.

Pre-Application Directions: Clean all fabrics before storage. Prevents moth infestation regardless of fabric type.

Application Directions: Calculate the volume to be treated in cubic feet by multiplying the height by the width, and depth of the space. Seven packets can treat about 3 cubic feet of storage space. Examples of the amount of product required for proper treatment are listed below:

- 4 packets Small storage box (3 cu. ft.)
- 14 packets Average Garment Bag (12 cu. ft.)
- 18 packets Large Trunk (15 cu. ft.)

The proper treatment of larger volumes may require the use of additional containers of packets. To insure protection of your cloths, use the recommended amount of packets. Do not remove the mothballs from the packets. Scatter packets throughout the storage area. Storage containers should be tightly closed at all times to maximize protection. Keep product in airtight space for a minimum of 7 days. Replace when mothballs have dissipated. Odor quickly vanishes when articles are aired.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals.

WARNING

Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin, and respiratory tract irritation. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.
