Re: Change label Package from Seven Packets to Four Packets  
EPA Registration No.: 1475-143  
Submission Dated: February 6, 2007

Dear Ms. Hantak:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated February 6, 2007, for the product ENOZ Moth-Tek Paper Covered Moth Ball Packets. The Registration Division (RD) has conducted a preliminary screen of this request for its applicability under PRN 98-10 and finds that the action(s) requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Joyce Edwards, of my staff at 703-308-5479.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Arrington".

RE: EPA Reg. No. 1475-143

Dear Joyce,

Please accept the attached notification. When I amended this label listing 4 packets – Small storage box (3 cu .ft.) in the sentence under application directions I missed changing seven packets to four packets.

Attached is a copy of the stamped approved label. I have highlighted the area to be changed. I spoke with Geri McCann and she thought this could be done as a notification.

Thank you for your assistance.

Sincerely,

Susan M. Hantak  
Executive Vice President

Encl.

**ENOZ® Moth-Tek Paper Covered Moth Ball Packets**  
Lavender Scented (or Cedar Scented)

Kills Clothes Moths and Carpet Beetles and Their Eggs and Larvae,  
When Used In Air-Tight Containers  
This product can treat up to 18.75 cu. ft.

NEAT & EASY TO USE!

ACTIVE INGREDIENT: Paradichlorobenzene .....	99.68%
INERT INGREDIENTS: .....	00.32%
TOTAL: .....	100.00%

KEEP OUT OF REACH OF CHILDREN

**WARNING**

See back panel for additional precautionary statements.

Net Contents: 6 oz. (170.10g)

6/12

**BACK LABEL:**

Enoz Moth-Tek Moth Ball Packets (Reefer-Galler Moth-Tek Snowwhite Moth Ball Packets) were specially developed to provide the unsurpassed protection of mothballs without the harsh smell and messy residue. Enoz Moth-Tek (Reefer-Galler Moth Tek) combines one of the most effective mothproofing ingredients available with a fresh lavender (cedar) scent to create a hard-working mothball that actually smells good! These fresh-smelling mothballs are enclosed in breathable paper packets, which allow the active ingredients to work while protecting you and your clothes from messy flakes and residue.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Use Restrictions:** This product can treat up to 18.75 cubic feet. Kills Clothes moths and Carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers.

Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals or placed on painted, polished or plastic surfaces.

**Pre-Application Directions:** Clean all fabrics before storage. Prevents moth infestation regardless of fabric type.

**Application Directions:** Calculate the volume to be treated in cubic feet by multiplying the height by the width, and depth of the space. Four packets can treat about 3 cubic feet of storage space. Examples of the amount of product required for proper treatment are listed below:

- |            |                                  |
|------------|----------------------------------|
| 4 packets  | Small storage box (3 cu. ft.)    |
| 14 packets | Average Garment Bag (12 cu. ft.) |
| 18 packets | Large Trunk (15 cu. ft.)         |

The proper treatment of larger volumes may require the use of additional containers of packets. To insure protection of your cloths, use the recommended amount of packets. Do not remove the mothballs from the packets. Scatter packets throughout the storage area. Storage containers should be tightly closed at all times to maximize protection. Keep product in airtight space for a minimum of 7 days. Replace when mothballs have dissipated. Odor quickly vanishes when articles are aired.

7/12

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals.**

**WARNING**

Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin, and respiratory tract irritation. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

NOTICE: This product contains a chemical known to the State of California to cause cancer.

FIRST AID	
If swallowed	<ul style="list-style-type: none"> <li>• Call poison control center or doctor immediately for treatment advice.</li> <li>• Have person drink several glasses of water.</li> <li>• Do not induce vomiting.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul>
If in eyes	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
If on skin or clothing	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
If inhaled	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
HOT LINE NUMBER	
Have the container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center (NPIC) at 1-800-858-7378 for emergency medical treatment information.	
NOTE TO PHYSICIAN	
Probable mucosal damage may contraindicate the use of gastric lavage.
