U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
1475-157

Date of Issuance:
August 19, 2002

Term of Issuance: Conditional

Name of Pesticide Product:
Reefer-Galler No-Moth Cakes

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Willert Home Products
4044 Park Avenue
St. Louis, MO 63110

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7) (A). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3).

1. Make the following changes to the labeling:
 - a. Revise the EPA Registration Number to read "EPA Reg. No. 1475-157".
 - b. Existing Stocks of previously approved labels may be used for 18 months
2. Please submit a Data Compensation form (EPA form 8570-34) to show that you have chosen the "Selective" method of data support.
3. Please submit two (2) copies of your final printed label before you release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling.

Signature of Approving Official

Date

August 19, 2002

INSIDE INSERT LABEL:

Directions for Use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: This product contains two 7 ounce cakes. One cake can treat 21.9 cubic feet and two cakes can treat up to 43.75 cubic feet. Kills Clothes moths and Carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, garment bags and closets. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected.

Prevents moth infestation regardless of fabric type.

Application Directions: Open container. Unwrap both cakes, and while holding each cake by the cellophane wrapper, transfer both cakes back into the container. Place the filled container at the top of the storage container or closet. The vapors work downward. Keep product in airtight space for a minimum of 7 days. When cakes have dissipated replace with new unit. Odor quickly vanishes when articles are aired.

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals.

WARNING. Causes eye, skin and respiratory tract irritation. Harmful if swallowed. Avoid contact with eyes, skin and clothing.

NOTICE: This product contains a chemical known to the State of California to cause cancer.

FIRST AID	
If swallowed	<ul style="list-style-type: none"> • Call poison control center or doctor immediately for treatment advice. • Have person drink several glasses of water. • Do not induce vomiting. • Do not give anything by mouth to an unconscious person.
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER	
Have the container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Telecommunications Network (NPTN) at 1-800-858-7378 for emergency medical treatment information.
