**Subject: Notification of Label Revisions per PR Notices 98-10, 97-6 and 2007-4
Reefer-Galler® No-Moth Cakes
EPA Reg. No. 1475-157**

Dear Mr. Hebert:

Enclosed please find our Notification of label revisions per PR Notices 98-10, 2007-4, and 97-6. Per PR Notice 98-10, we are changing "Net Contents" to "Net Weight" as appropriate for a solid product, relocating Storage and Disposal to the Directions for Use section where it belongs, and updating "Inert ingredients" to "Other ingredients" per PR Notice 97-6. We are also repeating the California Proposition 65 statement on the bottom canister label to make sure it is visible to consumers at the point of purchase.

This product has two sub-labels: A closet hanger, which is a metal canister meant to be refilled, and a refill which comes in a cardboard box. Per PR Notice 2007-4, we are adding "Refillable container. Refill this container with Reefer-Galler No-Moth Refill only. Do not use this container for any other purpose." to the Disposal instructions of the closet hanger, and "Nonrefillable container. Do not reuse or refill this container." to the Disposal section of the refill sub-label.

The following documents are included:

1. One application on EPA Form 8750-1
2. Two copies of revised labeling, one with the changes highlighted.
3. One copy of our most recent stamped accepted label for your reference.
