PHOENIX BRAND

CHLORDANE 5

ACTIVE INGREDIENTS

Technical Chlordane*	5.00%
INERT INGREDIENTS	95.00%
	100.00%

*Equivalent to 3% Octachloro - 4, 7 - methano-tetrahydroinane and 2% related compounds.

U.S. Pat. No. 2,816,192

ANTIDOTE

Remove from further contact. If swallowed, give a tablespoonful of soap, baking soda, salt or mustard in a glass of warm water and repeat until vomit fluid is clear. CALL A PHYSICIAN.

DIRECTIONS FOR USE

This insecticide is for the control of cabbage worm, flea beetles and harlequin bug on broccoli, cabbage and cauliflower. Apply material at a rate of 25 to 40 pounds per acre in a manner to give thorough coverage of the affected portions of the crop-plants; and at the same time in a manner as not to apply more than 2 pounds actual (technical) Chlordane to the acre. Do not make application after the edible portions begin to form. As to the degree of infestation when applications should begin and the timing of future applications, consult your local agricultural authorities. Use only for recommended purposes at recommended doses.

ACCEPTED

1967

CAUTION

IT IS TOXIC TO FISH AND WILDLIFE. DO NOT CONTAMINATE ANY BODY OF WATER NOR APPLY TO ANY AREA NOT SPECIFIED ON THIS LABEL

NOTICE

While statements made on this label are believed to be true and accurate, Arizona Agrochemical Corporation does not make any warranty, guarantee or representation, express or implied, concerning this material except that it conforms to the chemical description on the label. Arizona Agrochemical Corporation shall not be held responsible in any manner for any personal injury, crop loss, property damage or other type of loss resulting to the buyer or to any other person from the handling, storage or use of this material whether or not in accordance with directions. Nor does the seller guarantee that the residue of the material on edible portions of the plants will not exceed the tolerance, if any, established by the appropriate governmental agencies. The buyer assumes all risk and liability resulting from such handling, storage or use and accepts and uses this material under these conditions.
