#### WARNING

Poisonous if swallowed, inhaled or obsorbed through skin or eyes. Rapidly absorbed through skin. Do not get in eyes, on skin, or on clothing. Wash all contaminated clothing with soap and hot water before reuse. Wear natural rubber gloves, protective clothing and goggles. In case of contact, wash immediately with soap and water. Wear a mask or respirator of a type passed by the U.S. Department of Agriculture for Phosdrin protection. Keep all unprotected persons out of operating areas or vicinity where there may be danger of drift. Vacated areas should not be re-entered until drifting insecticide and volatile residues have dissipated. Do not contaminate feed and foodstuffs. Wash hands, arms and face thoroughly with soap and water before eating.

#### ANTIDOTES

If swallowed: give a tablespoonful of salt in a glass of warm water and repeat until vomit fluid is clear. Have victim lie down and keep quiet. CALL A PHYSI-CIAN. IMMEDIATION!

If on skin: . ove contaminated clothing and wash skin immediately with soap and water.

#### NOTE TO PHYSICIANS

Warning symptoms: symptoms include weakness, headache, tightness in chest, blurred vision, non-reactive pin point pupils, salivation, sweating, nausea, vomiting, diarrhea and abdominal crops. Treatment: Atropine is the specific therapeutic antagonist of choice against the parasympathetic stimulation; Atropine sulfate should be injected by 10 minute intervals in doses of 1 to 2 milligrams until complete atroponization has occurred. Morphine is contraindicated. Clear chest by postural drainage. Oxygen administration may be necessary. Observe patient continuously for 48 hours. Repeated exposure to cholinesterase inhibitors may, without warning, cause prolonged susceptibility to very small doses of any cholinesterase inhibitor. Allow no further exposure until time for cholinesterase regeneration has been allowed as determined by blood test.

AND HE COMMENTS.

# PHOSDRIN 2-S

U.S.D.A. REG. NO. 1526- 40

#### ACTIVE INGREDIENTS:

\*Trademark \*\*Equivalent to 23.50% Phosdrin in:

Concains 2 lbs. of Phosdrin/gall

#### DANGER

KEEP OUT OF REACH OF CHI

#### CAUTION

Do not reuse empty container. Des with waste.

#### CAUTION

Highly toxic to fish and wildl'fe. ate any body of water nor apply to ified on this label.

This product is nighly toxic to bee direct treatment or residues on cro information may be obtained from your Agricultural Extension Service.
