

WARNING: Keep Out of Reach of Children. Harmful if Swallowed. Do Not Inhale.

CAUTION

May be fatal if swallowed. This material if brought into repeated or prolonged contact with the skin, may cause toxic symptoms and irritation. Avoid contact with eyes, skin and clothing. Do not inhale dusts. Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

FIRST AID FOR FLUORIDES

In case of contact, wash thoroughly with soap and water. For eyes, flush with plenty of water and obtain medical attention promptly. Give at once, large draught of lime water or weak calcium chloride solution, stimulants or strong coffee or aromatic spirits of ammonia and artificial respiration. Keep lower extremities and chest warm. CALL A PHYSICIAN.

CAUTION

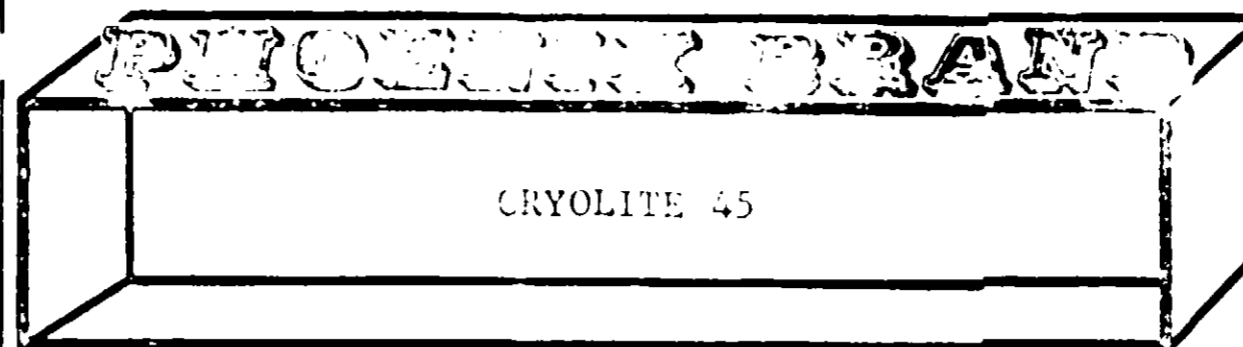

Keep all persons out of the operating area or vicinity where there may be danger of drift. Vacated areas should not be re-entered until the drifting insecticides and volatile components have dissipated.

Do not apply under conditions involving possible drift to food or storage that might be damaged or rendered unfit for sale, use, or consumption.
