DIRECTIONS FOR USE

General Precautions - Remove protective cap. Aim spray opening away from person. Push button to spray.

HOME AEROSOL INSECTICIDE

A new synthetic pyrethroid for controlling the following household flying and crawling insects: Houseflies, mosquitoes, gnats, wasps, roaches, ants, earwigs, spiders, grain mites, sawbugs and centipedes.

Active Ingredients:

(2-methyl-3-furyl)methyl 2,2-dimethyl-3-(2-methylpropenyl) cyclopropanecarboxylate	0.350% w/w
Related compounds	0.048%
Aromatic petroleum hydrocarbons	0.464%
Petroleum distillate	19.124%
Inert ingredients	80.014%
	<hr/> 100.000%

*cis/trans isomers ratio: max. 30% (±)cis and min. 70% (±)trans.
†U.S. Patent No. 3,465,007

CAUTION KEEP OUT OF REACH OF CHILDREN

Avoid contamination of food and foodstuff. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment of thoroughly cleaned before using. When using the product in these areas, apply only when the facility is not in operation. Cover or remove fish bowls.

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F. may cause bursting. Never throw container into fire or incinerator.

Net Weight 1 lb. (16 oz. avoird.)

EPA Reg. No. 1828-33

For houseflies, mosquitoes, and gnats: Close all doors and windows. Point nozzle upward, direct spray mist to all parts of room, especially windows and other light sources which attract these insects. Fill the room with mist, then leave the treated area. Keep the room closed for at least 15 minutes. Ventilate the room when treatment is completed.

Wasps: Application should be made in late evening when insects are at rest. Spray liberally into hiding and breeding places, contacting as many insects as possible. Repeat as necessary.

For crawling insects: roaches, earwigs, grain mites, sawbugs, spiders and centipedes: Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards, and storage areas. Spray directly on insect where possible.

Ants: Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

Seller's guarantee shall be limited to the terms of the label, and subject thereto the buyer assumes all risk to persons or property arising out of use or handling and accepts the product on these conditions.
