Notification per PR Notice 98-10**

Dear Mr. Heyward:

On behalf of International Specialty Products ("ISP"), I am submitting an application for pesticide notification to add the following indoor, non-food use sites to the labels of the above-referenced products: pigment dispersions, slurries, gypsum slurries for wallboard (drywall and gypsum board), and HI&I applications.

Per our telephone communication of earlier this week, I understand that you agreed with the definitions that ISP presented for pigment dispersions, slurries, and wallboard and requested that we submit the addition of these use sites via Notification. Regarding the addition of HI&I applications, I am providing you with product information for a similar IPBC product that the Agency has already approved for these uses. The name of the product is Omicide IPBC 30 DPG (EPA Reg. No. 1258-1230), registered by Arch Chemicals, Inc. Attached is a copy of the most recent EPA stamped accepted label for your review.

To support this notification, I am submitting the following documents for your review:

1. Application for Pesticide Notification (OPP ID No. 265394) for each product, which includes a signed statement certifying compliance with PR Notice 98-10;
2. One (1) copy of each proposed product label with the use sites highlighted; and,
3. One (1) clean copy of each proposed product label.

I would appreciate anything that can be done to expedite the review of this Notification as we need to submit to the states before they start to process end-of-year renewals.

Thank you in advance for your assistance with this Notification. If you have any questions, please call me at (973) 628-4109 or e-mail me at SKhattar@ispcorp.com.

Sincerely,

  
Sangeeta V. Khattar  
FIFRA Regulatory Supervisor

### FIRST AID

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Do not apply this product in a way that will contact any person or pet. Causes skin irritation and moderate eye irritation. Avoid contact with eyes, skin and clothing. Harmful if swallowed, inhaled or absorbed through the skin. Wash thoroughly with soap and water after handling. Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash before reuse.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Fungitrol 420S Fungicide is a low VOC formula and has no odor.

**MIXERS AND HANDLERS:** Read Precautionary Statements prior to handling product.

Add Fungitrol 420S Fungicide as directed below to the coating for maximum protection against mold, mildew, and algae. Mix thoroughly, stirring Fungitrol 420S Fungicide into the coating for 2 - 3 minutes. Apply the coating to the surface as directed by the coating manufacturer. In all cases, the coating should be mixed prior to applying to the surface. To ensure best results, follow coating manufacturer's instructions for cleaning and preparing the surface. Fungitrol 420S Fungicide is for protecting the applied film and paint, not the substrate.

For 1.5 oz. pillowpack: Cut off corners as marked and squeeze entire contents into 1 gallon of paint or other coating. Shake or stir thoroughly for 2 - 3 minutes.

For 7.5 oz. plastic jar: Pour entire contents into 5 gallons of paint or other coating. Shake or stir thoroughly for 2 - 3 minutes.

For 2.48 lbs. plastic container with pump: Add 1 oz. (2 squirts) per gallon of paint or other coating. Shake or stir thoroughly.

For 2.48 lbs. and 4.95 lbs. plastic containers: Pour Fungitrol 420S Fungicide into color canister. Dispense as shown in Table A. Shake or stir thoroughly.

#### **ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

#### **STORAGE AND DISPOSAL**

**Do not contaminate water, food, or feed by storage or disposal.**

**PESTICIDE STORAGE** - Do not store with strong oxidizing agents or strong (concentrated) acids. Keep container tightly closed when not in use. Do not reuse container.

**PESTICIDE DISPOSAL** - Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your local State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL** - For 1.5 oz pillowpack: Wrap empty container and paint stirrer in newspaper and dispose immediately in trash. Never place unused product down any indoor or outdoor drain. For all other containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration or, if allowed by state and local authorities, by burning. If burned stay out of smoke.
