U.S. ENVIRONMENTAL PROTECTION AGENCY
UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
Antimicrobials Division (7510C)
1200 Pennsylvania Avenue NW
Washington, D.C. 20460

EPA Reg. Number:
1529-43

Date of Issuance:
OCT 23 2002

NOTICE OF PESTICIDE:
 Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide Product:
Fungitrol® 440S Fungicide

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

**International Specialty Products
1361 Alps Road
Wayne, NJ 07470**

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration Number 1529-43"

Signature of Approving Official:

**Adam Heyward
Product Manager Team-34

b. Revise the Precautionary Statement to read:

Precautionary Statements
Hazards to Humans and Domestic Animals
Danger

Corrosive: Causes irreversible eye damage. May be fatal if inhaled or absorbed through skin. Harmful if swallowed. Do not get in eyes, on skin or on clothing. Do not breath vapor or spray mist. Wear goggles or face shield (safety glasses). Wear one of the following NIOSH-approved respirators: (1) a non-powered cartridge respirator equipped with an R- or P- series air-purifying filter (NIOSH pre-six TC-84A), or, (2) a powered cartridge respirator equipped with a high efficiency particulate air (HEPA) filter (MSHA/NIOSH approval number prefix TC 21C). Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove and wash contaminated clothing before reuse.

c. Revise first aid statement to read:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

"Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage."

Have the product container or label with you when calling a poison control center or doctor, or going for treatment You may also contact (insert toll free number) for emergency treatment information.

3. Refer to EPA's letter dated May 16, 2002 concerning the product chemistry data. The letter stated, "you must submit the description of an enforcement analytical method to verify the active content of the product." This information must be submitted to the Agency within 6 months from the date of this notice.

4. Submit three (3) copies of the revised final printed label bearing the revisions prior to releasing this product for sale.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Adam Heyward

1529-43

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
DANGER**

Corrosive. Causes irreversible eye damage. May be fatal if inhaled. Do not breath dust. Wear a mask or pesticide respirator approved by NIOSH. Harmful if swallowed, absorbed through the skin or inhaled. Do not get in eyes, on skin or on clothing. Wear protective eyewear (goggles, face shield, or safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For use as a preservative in manufacturing dry film paint, aqueous metal working, cutting, cooling and lubricating fluids and concentrates, paper coatings, plastics and plastic coatings, cordage, inks, and wood preservation. Fungicide in non-medical, non-food contact aqueous, solvent and non-solvent based systems such as natural and synthetic adhesives, caulks, patching compounds, sealants, grouts, latexes such as sbr/latex used in the manufacture of flooring adhesives or carpet backings. Typical use levels range from 0.02% to 3% by weight in the final formulation. For specific recommendations on specific amounts of product to use please contact ISP.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, ponds, streams, estuaries, oceans or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE - Keep container tightly closed when not in use. Do not store with strong oxidizing agents or strong (concentrated) acid.

PESTICIDE DISPOSAL - Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your local State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL - Do not reuse container. Triple rinse container. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration or, if allowed by state and local authorities, by burning. If burned stay out of smoke.

ISP MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSES, and expressly disclaims liability for consequential or incidental damages, whether based on warranty or negligence. Buyer's sole remedy shall be refund or replacement.

Fungitrol[®] 440S Fungicide Proposed labeling submitted September 19, 2002 as part of the submission package in response to EPA's letter dated May 8, 2002. EPA's letter did not require submission of this label, however ISP has incorporated Tox II precautionary statements in the event the registration is granted.
