~~Fungitrol 400SE Fungicide (EPA Reg. No. 1529-51)~~
Notification per PR Notice 98-10**

Dear Mr. Heyward:

On behalf of International Specialty Products ("ISP"), I am submitting an application for pesticide notification to add the following indoor, non-food use sites to the labels of the above-referenced products: pigment dispersions, slurries, gypsum slurries for wallboard (drywall and gypsum board), and HI&I applications.

Per our telephone communication of earlier this week, I understand that you agreed with the definitions that ISP presented for pigment dispersions, slurries, and wallboard and requested that we submit the addition of these use sites via Notification. Regarding the addition of HI&I applications, I am providing you with product information for a similar IPBC product that the Agency has already approved for these uses. The name of the product is Omicide IPBC 30 DPG (EPA Reg. No. 1258-1230), registered by Arch Chemicals, Inc. Attached is a copy of the most recent EPA stamped accepted label for your review.

To support this notification, I am submitting the following documents for your review:

1. Application for Pesticide Notification (OPP ID No. 265394) for each product, which includes a signed statement certifying compliance with PR Notice 98-10;
2. One (1) copy of each proposed product label with the use sites highlighted; and,
3. One (1) clean copy of each proposed product label.

I would appreciate anything that can be done to expedite the review of this Notification as we need to submit to the states before they start to process end-of-year renewals.

Thank you in advance for your assistance with this Notification. If you have any questions, please call me at (973) 628-4109 or e-mail me at SKhattar@ispcorp.com.

Sincerely,

Sangeeta V. Khattar /ARK

FUNGITROL® 400SE FUNGICIDE

FOR INDUSTRIAL USE ONLY

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

DANGER

Corrosive. Causes irreversible eye damage. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles or face shield). May be fatal if inhaled. Do not breathe dust. Wear a mask or respirator approved by NIOSH. Harmful if swallowed or absorbed through skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Wear goggles or face shield, protective clothing, chemical resistant (such as nitrile or butyl gloves). Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

IF SWALLOWED: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

EMERGENCY MEDICAL INFORMATION: (800) 241-7439

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

ACTIVE INGREDIENT:

3-Iodo-2-propynyl butyl carbamate.....99.50%

OTHER INGREDIENTS..... 0.50%

TOTAL100.00%

KEEP OUT OF REACH OF CHILDREN

DANGER

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For use as a fungicide in the following applications:

- Dry film paint.
- Aqueous metalworking, cutting, cooling, and lubricating fluids and concentrates.
- Paper coatings, plastics and plastic coatings, cordage, inks, and wood preservatives.
- Non-medical, non-food contact aqueous, solvent and non-solvent based systems such as natural and synthetic adhesives, caulks, patching compounds, sealants, grouts, latexes such as sbr/latex used in the manufacture of flooring adhesives or carpet backings.
- Cement based products.
- Pigment dispersions and slurries.
- Gypsum slurries for wallboard (drywall and gypsum board).
- Household, consumer, industrial, institutional, and janitorial products such as liquid and solid air fresheners, dish detergents, laundry products, soaps and detergents, non-food contact surface cleaners, floor care products, bathroom cleaners, window cleaners, fabric care products, automotive care products, and furniture care products.

Typical use levels range from 0.004% to 3% by weight in the final formulation. For specific recommendations on specific amounts of product please contact ISP.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE - Do not store with strong oxidizing agents or strong (concentrated) acids. Keep container tightly closed when not in use. Do not reuse container.

PESTICIDE DISPOSAL - Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your local State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL - Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration or, if allowed by state and local authorities, by burning. If burned stay out of smoke.
