Dear Ms. Chartier,

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 dated March 24, 2009 and your label resubmission dated January 18, 2010 for the product Absorbine® Ultrashield® Brand Residual Insecticide & Repellent (EPA Registration Number 1543-12). The Registration Division (RD) has conducted its review of this request for its applicability under PRN 2007-4 and finds that the label changes requested fall within the scope of PRN 2007-4. The label submitted with the application has been stamped "Notification" and will be placed in our records.
