Back Label

Bug Block® is a specially formulated (PABA-FREE) combination of sunscreen & mosquito repellent that is water resistant.

Indications: Repels mosquitoes while providing (15) (30) times your natural protection from sunburn.

Directions for Use: Read all directions before using this product. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Apply liberally and evenly before exposure to sun or mosquitoes. For maximum repellency repeat application at 1-hour intervals. Retains SPF after 40 minutes of activity in water or perspiring. Do not allow children under 10 to apply this product.

PRECAUTIONARY STATEMENTS: Hazards to humans and domestic animals.
For external use only, not to be swallowed.

CAUTION: Causes moderate eye irritation. Avoid contact with eyes. Discontinue if irritation or rash appears. Use on children under 6 months of age only with the advice of a physician.

FIRST AID

If in eyes • Hold eye open and rinse slowly and gently with water for 15- 20 minutes
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye
• Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

STORAGE AND DISPOSAL STATEMENTS

STORAGE: Store in a cool, dry area away from heat

DISPOSAL: If empty - Do not re-use container. Place in trash or offer for recycling if available. If partly filled - Call your local solid waste agency or (1-800-CLEANUP or equivalent organization) for disposal instructions. Never pour unused product down the drain or on the ground.

Active Sunscreen Ingredients: Octinoxate (5%) (7.5%), Oxybenzone (3.5%) (6%), Octisalate (2.5%) (5%).
