Scram
MOTH NUGGETS

Scram nuggets are used to kill clothes moths and prevent damage to fabrics of woolens, furs, etc. Use 1 oz. of Scram Nuggets to every 3 cu. ft. of confined space. Keep storage container closed and if it is not air tight, larger quantities should be used. If container is opened, add more nuggets and keep closed at least 7 days. Rugs or carpets should be rolled tightly and wrapped with the nuggets distributed between the folds.

Scram nuggets are harmless to any natural material, fur or feathers. Helps prevent mildew damage.
