TWIN
FROSTEEES

KILLS MOTHS, EGGS AND LARVAE

For that year-round protection, use in closets, garment
bags and storage areas.

Each FROSTEE is individually wrapped for immediate freshness

DIRECTIONS: Tear or break cellophane wraps and hang up.
Brush and clean articles thoroughly before storing. Use one
FROSTEE for every 25 cu. ft. of tightly confined space. If
container is opened, add more FROSTEE cakes and keep closed
for 7 days.

Active ingredient: Paradichlorobenzene 100%
