

MOMAR

FORMULA 357

ROACH POWDER CONCENTRATE

ACTIVE INGREDIENTS	48.92%
Sodium Fluoride	40.0%
Dry Powdered Stems of <i>Ryania Speciosa</i>	7.29%
Ferrous Sulphate	1.46%
Pyrethrins01%
INERT INGREDIENTS	51.08%
TOTAL	100.00%

DIRECTIONS

Use powder gun or bellows-type blower. Force powder into all cracks, crevices and holes in baseboards, door casings, around plumbing fixtures, etc. Remove all drawers from cabinets, chests, furniture, etc., and dust powder on runners; force into cracks where roaches stay. Blow powder behind cabinets, refrigerators, baseboards and casings where it will not be seen and will not be cleaned up. Treat all infested areas. This dust must be placed only in areas inaccessible to children and pets. Any powder visible after application is completed should be carefully brushed into cracks and crevices or else removed. Such dusts may be applied on surfaces behind sinks, refrigerators, stoves and cabinets that are not accessible to children and pets. No generalized use in the household would be acceptable.

WARNING : MAY BE FATAL IF SWALLOWED. Do not breathe dust. Do not contaminate foodstuff.

KEEP OUT OF REACH OF CHILDREN AND DOMESTIC ANIMALS.
