To kill lice, apply enough to completely cover the hair and scalp or other louse-infested areas, except the eyelashes and eyebrows. Rub in. Allow to remain for no longer than 10 minutes. Wash with plenty of soap and warm water. Shampoo may be used if desired. Remove dead lice and their eggs from hair with a fine-toothed comb. Repeat as necessary, but do not exceed two consecutive applications in 24 hours.

In order to prevent re-infestation with body lice, all clothing must be sterilized concurrent with application of this product.
