**ACCEPTED**

JUN 17 1980

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 1574-3

For control of clothes moths, keep 1 or 2 moth cakes in closet, trunk, chest for every 25 cubic feet of area. Keep treated area tightly closed or oil times for at least 7 days after adding cakes. Check cakes every 3 weeks, often in warm weather. Add more if treated area is opened. Do not use moth cakes in direct contact with lacquered wood.

*For you and your home*
