Perfumed Crystals

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: To kill clothes moths (larvae and adults) and carpet beetles in clean, air-tight containers (e.g. chests and trunks), garment bags and storage closets. Do not use in containers, dry cleaning and garbage bags or closets that allow vapors to escape into occupied rooms. Do not use this product with any other moth control chemical. As

Paradichlorobenzene damages some plastics, do not use in plastic storage containers or place in contact with plastic items. For use only on cloth containing wool or wool blends.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected.

Application Directions: Apply product in clean, air-tight containers, bags and closets listed above. Use one container for every 40 cubic feet. For larger closets, multiply the height, width and depth of the space and divide by 40 to determine the number of containers needed. For example, a closet 8 feet high, 4 feet wide and 3 feet deep (i.e. 96 cubic feet) would need about 2.5 containers (96/40=2.4).

Post Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers, bags and closets 2 times a year.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Causes eye, skin and respiratory tract irritation. Wear safety glasses. Do not get in eyes or on clothing. Avoid

contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

FIRST AID

If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If on skin or clothing, take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes.

Call a poison control center or doctor for treatment advice. If swallowed, call a poison control center or doctor, or 1-800-858-7378 immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. **NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

If empty, do not reuse this container. Place in trash or other for recycling if available. If partly filled, call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
