(18 Pt. Caps) WARNING: (12 Pt. Caps) KEEP OUT OF THE REACH OF CHILDREN.
NOT FOR MEDICINAL USE. READ PRECAUTIONS ON BACK PANEL. (16 Pt. Caps)

22 FL. OZ. (1 PT. 6 OZ.) (3/16" H. + FPLA requirements)

BACK:

Leaves a fresh pine fragrance.

DIRECTIONS: (Use only as directed.)
Use only with water -- do not blend with other products.

As a household disinfectant use 2 1/2 tablespoons of "Germ-trol"
in one quart of water and wet surfaces thoroughly by wiping,
mopping or scrubbing. Use on:

- . Walls
- . Floors
- . Bathroom Fixtures
- . Tile
- . Porcelain
- . Shower Stalls
- . Sinks
- . Diaper Pails
- . Bathtubs
- . Sickroom Furniture
- . Woodwork

For deodorizing and cleaning of toilet bowls, pour in 3 tablespoons
of "Germ-trol" and scrub with a STANLEY (R) Bowl Brush.

To deodorize and clean garbage pails, refuse containers, musty
storage places, dog and cat areas, or other similar areas, use
2 tablespoons of "Germ-trol" to each quart of water.

For deodorizing drains of sinks and lavatories, pour in 2
tablespoons of "Germ-trol" once a week.

#3388 "Germ-trol" cont'd.
April 15, 1975

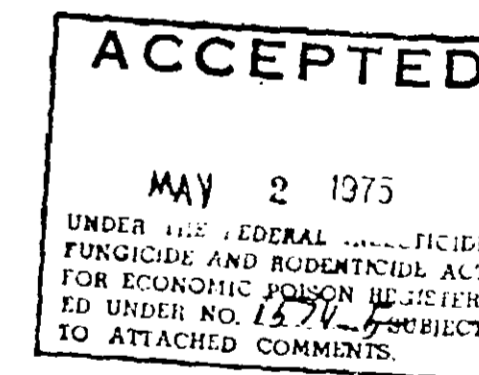

Rinse empty container thoroughly with water and discard it.

No phosphates. This product contains biodegradable surfactants
(sudsing-cleaning agents), that are broken down by natural
biological action. This helps to eliminate suds and foaming
problems in lakes and streams.

(14 Pt. Caps) WARNING: (10 Pt. U & L) Causes eye irritation. May cause
skin irritation. Wash hands thoroughly after use. In case
of contact with eyes, flush immediately with plentiful amounts
of water. If irritation persists, obtain medical treatment.
Harmful if swallowed.
