**Rochester Germicide Company**

ROCHESTER, NEW YORK 14603

### **GENERAL CLEANING AND DISINFECTION**

For use on floors, walls, ceilings, sealed wood, metal panels as partitions and doors, metal and plastic furniture and other surfaces that can withstand the effects of water solution cleaning. Add 2 oz. of SANAMINE to a gallon of water. For difficult to clean or excessively soiled areas, add 3 oz. of SANAMINE to a gallon of water. Rinsing is not necessary.

#### **LOCKER ROOMS:**

Add 2 oz. of SANAMINE to a gallon of water. Mop floor areas daily in locker rooms and showers for control of many bacteria. Rinsing is not necessary.

#### **CONTACT SPRAY:**

Add 1 oz. of SANAMINE to a gallon of water. Using No. 67209 Favorite Saf-T-Lock Professional Sprayer, spray on toilets, urinals, adjacent floors and walls, trash and garbage to reduce odors.

#### **HOSPITAL USE:**

SANAMINE is recommended for use in hospitals, nursing homes and other health care facilities.

SANAMINE at 2 oz./gal. dilution kills the following organisms:

S. aureus	(ATCC # 6538)
S. choleraesuis	(ATCC # 10708)
P. aeruginosa	(ATCC # 15442)
E. coli	(ATCC # 11229)

#### **CONTAINER DISPOSAL:**

Rinse empty container thoroughly with water and discard it.
