CAUTION

KEEP OUT OF REACH OF CHILDREN

When this material is breathed or gets into eyes considerable discomfort may result. Wash eyes with plenty of good clean water and see a physician if pain persists. Wear a good dust respirator and goggles to avoid discomfort during periods of exposure. Avoid breathing dust.

Keep out of any body of water. Apply only for the purposes and in the manner directed in this label. Do not apply when weather conditions favor drift of dust from area treated. Clean application equipment and dispose of wastes and unused chemical in a pit on non-crop land in an isolated area well away from water supplies.

This product is toxic to bees and should not be applied when bees are actively visiting the area.

DESTROY EMPTY CONTAINERS. Do not reuse this container for any purpose. Bury empty container in a pit on non-crop land in an isolated area well away from water supplies.

NOTICE

Follow directions carefully. Timing and method of application, weather and crop conditions, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given on this label.
