

FCX 80% SEVIN[®] DUST BASE

INGREDIENTS

ACTIVE INGREDIENT:
 Carbaryl (1-Naphthyl N-methylcarbamate) 80%
 INERT INGREDIENTS: 20%
 TOTAL 100%

*SEVIN is a trademark of Union Carbide Corp. for carbaryl insecticide

EPA Reg. No. 1598-217

FOR MANUFACTURING USE ONLY

This product is a dust base or dust concentrate containing 80% of carbaryl (SEVIN) insecticide to be used only by manufacturers in the preparation of pesticide dust products.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Harmful if inhaled or swallowed. Do not breathe dust. Do not take internally. Skin contact may be harmful. Avoid contact with the skin. Wash hands before eating or smoking. Take a shower or a bath after work. Wear regular long-sleeved work clothing. Change to clean clothing daily. Avoid contamination of feed and foodstuffs.

NOTE TO PHYSICIAN—Carbaryl is a moderate, reversible cholinesterase inhibitor. Atropine is antidotal.

This product will kill fish. Manufacturing operations must be controlled so that contamination of any body of water will not occur. Clean equipment and dispose of wastes and empty containers in a pit on non-crop land in an

isolated area well away from any source of water.

Finished insecticidal dust products made from this dust base will kill bees exposed to direct treatment or to residues on crops. The users of such products should be instructed to obtain information concerning measures to protect bees from the State Cooperative Agricultural Extension Service.

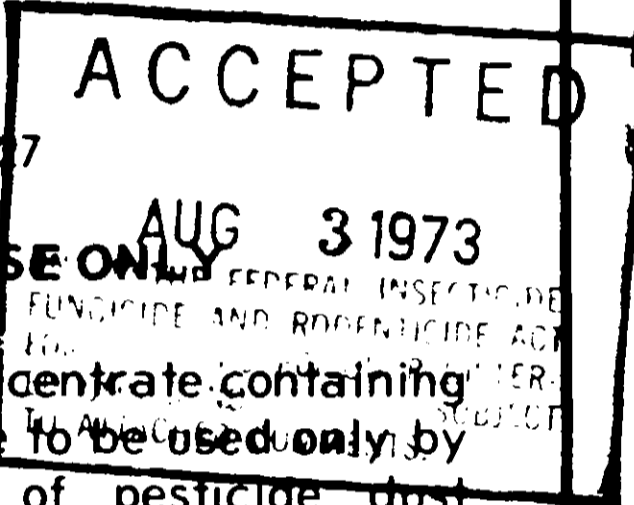

DESTROY EMPTY CONTAINERS. Do not reuse this container for any purpose. Dispose of empty containers along with wastes in a pit on non-crop land in an isolated area well away from any source of water.

OTHER REQUIREMENTS

Pesticidal dust formulations manufactured from this product must be adequately labeled in compliance with the Regulations issued for the enforcement of the Federal Environmental Pesticide Control Act. Such labels must have, among certain other requirements, an ingredient statement which, if complied with, will prevent injury to persons, beneficial animals, fish, and bees; directions for use with clearly stated limitations which will prevent residues in excess of established tolerances; and instructions for safely cleaning of application equipment and disposal of wastes and empty containers.

NOTICE

Follow directions carefully. Timing and method of application, weather and crop conditions, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given on this label.
