PRECAUTIONARY STATEMENT 5: HAZARD TO HUMANS AND DOMESTIC ANIMALS. CAUTION: Harmful if swallowed. Avoid contact with skin, eyes or clothing.

STATEMENT OF PRACTICAL TREATMENT: IF SWALLOWED: Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention.

IF IN EYES OR ON SKIN: Immediately flush with plenty of water. Get medical attention if irritation persists.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

- 1 Thoroughly clean containers in which garments or materials are to be stored. Grease spots and dust should be removed from stored items.
- 2 Place liberal quantity of SNOWWHITE CRYSTALS underneath, between and on top of clothing, woollens, furs, draperies, rugs, and blankets. On top layer use extra liberal supply, at least one pound to each 100 cubic feet. Close containers as tightly as possible.
3. When containers are opened, use additional SNOWWHITE CRYSTALS and tightly seal container again. Sprinkle generously on top and under cushions of all upholstered pieces.
- 4 Do not use SNOWWHITE CRYSTALS with naphthalene or camphor. Do not use with incompatible plastics such as styrene.

SNOWWHITE CRYSTALS overcome stale perspiration and tobacco odors in garments, and leave no clinging odor. Follow directions and garments and materials will have remarkable moth protection.

For constant protection also use NO-MOTH® in every storage closet.

STORAGE AND DISPOSAL. Do not reuse empty can. Wrap and put in trash.

NOTICE: California has determined that a chemical in this product causes cancer based on tests performed on laboratory animals.
