Ms. Susan M. Hantak
Willert Home Products
4044 Park Avenue
St. Louis, MO 63110

Dear Ms. Hantak:

Subject: Reefer-Galler Snowwhite Crystals
EPA Registration No. 1603-6
Your Resubmission Dated July 29, 1994

This is in response to your resubmission of label reflecting the basic product name change from "Snowwhite Crystals" to "Reefer-Galler Snowwhite Crystals."

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended is acceptable provided that you make the following label revision before you release the product for shipment bearing the amended labeling.

1. In the label text, either use the complete product name wherever reference is made to the name or indicate "this product".

A stamped copy is enclosed for your records.

The proposed product name change has been made a part of our records for this file.

If you have any questions, please call Marianne Clark at (703) 305-7879.

Sincerely yours,

Ruth Douglas
Product Manager (32)
Antimicrobial Program Branch
Registration Division (7505C)

PRECAUTIONARY STATEMENTS:
HAZARD TO HUMANS AND DOMESTIC ANIMALS. CAUTION: Harmful if swallowed. Avoid contact with skin, eyes or clothing.

STATEMENT OF PRACTICAL TREATMENT: IF SWALLOWED: Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention.

IF IN EYES OR ON SKIN: Immediately flush with plenty of water. Get medical attention if irritation persists.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. Thoroughly clean containers in which garments or materials are to be stored. Grease spots and dust should be removed from stored items.
2. Place liberal quantity of SNOWWHITE CRYSTALS underneath, between and on top of clothing, woolens, furs, draperies, rugs, and blankets. On top layer use extra liberal supply, at least one pound to each 100 cubic feet. Close containers as tightly as possible.
3. When containers are opened, use additional SNOWWHITE CRYSTALS and tightly seal container again. Sprinkle generously on top and under cushions of all upholstered pieces.
4. Do not use SNOWWHITE CRYSTALS with naphthalene or camphor. Do not use with incompatible plastics such as styrene.

SNOWWHITE CRYSTALS overcome stale perspiration and tobacco odors in garments, and leave no clinging odor. Follow directions and garments and materials will have remarkable protection. For constant moth protection also use NO-MOTH, in every storage closet.

STORAGE AND DISPOSAL: Do not reuse empty can. Wrap and put in trash.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.
