1. Be sure to remove inside wrapper from cake and  
replace cake in NO-MOTH HANGARETTE. 2. Thoroughly  
brush or clean all garments before they are stored.  
3. Attach NO-MOTH HANGARETTE to clothes hanger  
or to wire, at top of each garment bag because the  
vapor works downward. 4. One NO-MOTH HANGARETTE  
is sufficient for up to 18 cubic feet of tightly confined  
space. 5. For continuous protection place a new  
NO-MOTH HANGARETTE in garment bag before this one  
is entirely evaporated. 6. Do not use NO-MOTH
