Attention: Mr. Susan Hantak

Subject: No-Moth Reefer-Galler Hangerette
EPA Registration No. 1603-11
Your amended application of May 28, 1996

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided that you make the following changes and submit one (1) copy to us before you ship your product:

1. In the future, you should type out your use directions, as they are difficult to read.
2. We have used "No-Moth Reefer-Galler Hangerette", rather than "Reffer-Galler No-Moth Hangerette" as the product name because this is the word order on your proposed label.
3. Revise your "STORAGE AND DISPOSAL" section as follows:

STORAGE AND DISPOSAL

Storage: Store only in original container, in a dry place inaccessible to children and pets.

Disposal: Do not reuse empty container. Securely wrap in newspaper and discard in trash.

20/4

- 4. Move the following sentence, "NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals", from its current location, under "STORAGE AND DISPOSAL" section, to the more appropriate "PRECAUTIONARY STATEMENTS" section, as a separate paragraph, under the "WARNING" heading, as follows:

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Causes eye, skin and respiratory tract irritation. Harmful if swallowed. Avoid contact with skin, eyes, or clothing.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

See 40 CFR 156.10(h)(2) for additional details about proper placement of precautionary text.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Note that PM Team 14 is now handling products with the active ingredient in this product. Any resubmission should be made to the address provided below. If you have questions about this letter, please contact Mr. Dan Peacock at 703-305-5407.

DIRECTIONS FOR USE:
1. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
2. Remove cellophane wrapper from cake and place cake in NO-MOTH HANGERETTE box. Punch holes out on sides and bottom of box.
3. Thoroughly brush or clean all garments before they are stored.
4. Attach NO-MOTH HANGERETTE to clothes hanger or wire at top of garment bag because vapors work downward.
5. One NO-MOTH HANGERETTE is sufficient for up to 18 cubic feet of lightly confined space.
6. For continuous protection place a new NO-MOTH HANGERETTE in garment bag before this cake is entirely evaporated.
7. Do not use NO-MOTH HANGERETTE with naphthalene or camphor. Do not place in direct contact with styrene plastics.
8. Do not reuse empty box. Wrap and put in trash.

STORAGE AND DISPOSAL: Do not reuse empty box. Wrap and put in trash.
NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.
