### DIRECTIONS

**STORAGE:** Clean articles and container thoroughly and sprinkle crystals throughout, putting an extra amount on top. Use one pound for every 100 cubic feet of storage space. Keep storage container tightly closed for about a week after use. If chemical in container is opened add more crystals and re-seal closed for specified period.

**VACUUM CLEANERS:** Fill attachment with crystals and blow into closets or crevices of furniture. Use 1/2 lbs. per 100 cu. ft. of space vaporized in a period of time up to one hour. The closet or container should be tightly closed at all times and for 24 to 48 hours following treatment with adequate ventilation. For an added protection in crevices in furniture and carpeting use in heavy paper. Repeat treatment as necessary.

**CAUTION:** Avoid contact with eyes. Do not inhale dust. Do not use in areas where children play. Do not use in areas where food is stored. Do not use in areas where food is prepared. Do not use in areas where food is consumed. Do not use in areas where food is stored.
