NET WEIGHT 12 OZ.

This formulation gives rapid kill of such crawling insects as listed below, including those resistant to certain chlorinated hydrocarbon and phosphate insecticides. **INDOORS, SPRAY RESIDUES KILL INSECTS MANY WEEKS AFTER THE SPRAY DEPOSIT HAS DRIED.**

Ants	Fleas	Scorpions
Brown dog ticks	Millipedes	Silverfish
Crickets	Roaches	Spiders

General: Spray surfaces to wetting. Point spray away from people, plants and pets.

ANTS, COCKROACHES, CRICKETS, SILVERFISH, SPIDERS, SCORPIONS, WATERBUGS: Spray into cracks, crevices, around baseboards, and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. Repeat as needed. Do not spray plants or house plants. For ants, spray trails and places where ants enter premises. Do not allow children to contact treated surfaces until surfaces are completely dry.

Spray sealing quarters of pets, around baseboards, window and door frames, wall cracks, and focal areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

ANTS, CRICKETS, FLEAS, MILLIPEDES, AND BROWN DOG TICKS: Spray infested areas thoroughly including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects may enter. For ants, spray hills and runways. Repeat as necessary. Do not spray vegetation.

May be harmful if swallowed. It is toxic if absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should be avoided. Wash thoroughly with soap and warm water after handling. Avoid contamination of food, utensils, and food preparation areas. Remove pets and cover fish bowls before spraying. If poisoning occurs, get prompt medical aid.
TO PHYSICIAN—Atropine sulfate is antidote.

Do not smoke while using. Keep container away from clothes, radiators, or other hot surfaces. Avoid excessive wetting of plastic, rubber and asphalt surfaces such as tiles and floors. Use spray only on surfaces. Do not use as a space spray.

- Pyrethrin
- Piperonyl butoxide
- Nonyl phenol
- Butyl cellosolve
- Butyl alcohol

- Inactive ingredients
- Methyl alcohol
- Butyl alcohol
