

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Apply this product to walls, floors and other hard (nonporous) surfaces such as tables, chairs, countertops, sinks and bedframes with a cloth, mop or mechanical spray device so as to thoroughly wet surfaces. Preliminary cleaning is required. Thoroughly wash surfaces with a detergent followed by a water rinse before applying the disinfecting solution. Prepare a fresh solution daily or when use solution becomes visibly dirty.

DISINFECTING: For disinfecting pre-cleaned, hard, nonporous surfaces use 4 oz. of this product per gallon of water. Thoroughly wet the surface with solution for a minimum contact time of 10 minutes. After disinfecting, drain the use solution from the surface and air dry.

CLEANING AND DEODORIZING: Mix 2 oz. of this product to one gallon of water to clean and deodorize walls, floors, etc. For exceptionally dirty conditions, use 4 to 13 ounces of this product to 1 gallon of water.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE

Store in a dry area at moderate temperature. Keep container closed when not using. In case material is released or spilled, pick up excess with shovel or absorbent material and place in separate container. Flush area with water. Dispose of the contents according to local, state or federal provisions.

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative of the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling, if available, or puncture and dispose of in a sanitary landfill, incineration, or, if allowed by state and local authorities, by other means. If burned, stay out of smoke.

No. 4 PYNTOX DISINFECTANT

LIMITED DISINFECTANT AGAINST BACTERIA OF INTESTINAL ORIGIN

EPA Reg. No. 1622-3 EPA Est. 1622-CA-1

ACTIVE INGREDIENT:
