STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL

STORAGE

Store in a cool, dry place at room temperature. Keep container closed when not using. In case materials released, do not get on skin. Wash with soap and plenty of water and place in a separate container. Flush area with water to clean the container. Notify your local, state or federal authorities.

PESTICIDE DISPOSAL

Pesticide will be available for disposal of excess pesticide spray, or other materials, a violation of Federal law. If these wastes can not be disposed of by use of the following label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Metal Container: Triple rinse thoroughly, then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

Plastic Container: Triple rinse or equivalent, then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, if allowed by state and local authorities. Do not burn. If burned, stay out of smoke.

Reviewed. Registrations to be in accordance with
Guidance for Pesticide Registration Phase 2
Response, Phase 2-12. Approval Inert Change in Status.
