DANGER:

Corrosive: Keep Out of Reach of Children. May be fatal if swallowed. Do not breathe vapor or fumes. Produces chemical burns. Do not get in eyes, on skin, or on clothing. Wear rubber gloves while using. Do not mix with bleach, household cleaners, or any material containing chlorine.

Rinse and dispose of container when empty.

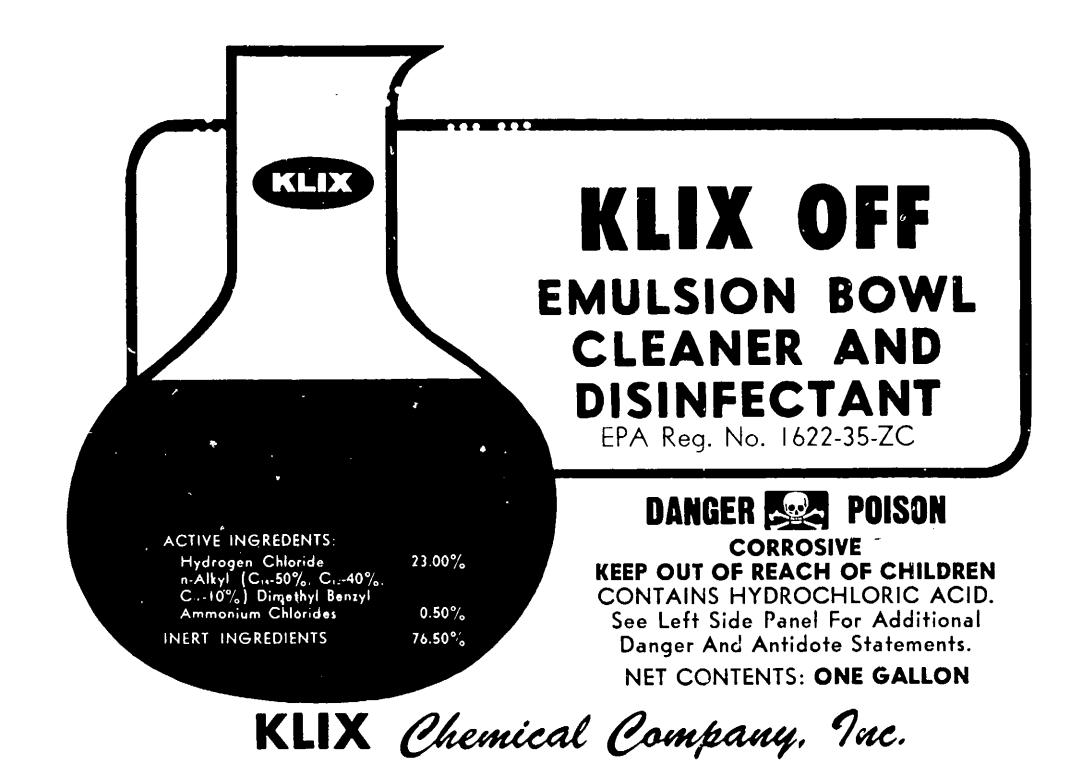

Caution: Do not use on sinks, bathtubs or any surface except toilets and urinals. Use of this material on other than vitreous ware is done at user's own risk.

ANTIDOTE:

INTERNAL— Call a physician immediately. Drink a teaspoonful or more of magnesia, chalk, or small pieces of soap, softened with water in milk or raw egg white.

EXTERNAL— Eyes: Wash with water for 15 minutes. Get prompt medical attention. Skin: Wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

South San Francisco, California
