Storage and disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a dry place. Do not store where children or animals may gain access.

Pesticide disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container disposal: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product is a soluble inorganic powder for formulating into certain end-use products: insecticides/fungicides for wood treatment; insecticides for mop, spot, and crack and crevice treatment in residential, industrial, institutional and commercial buildings, algaecides for water treatment in swimming pools and recirculating cooling water systems.

This product may also be applied to or otherwise be incorporated with absorbent materials to reduce or inhibit the growth of odor causing bacteria in those materials.

This product shall not be used to formulate or repackage a registered product for use in any carpet, rug or upholstery application.

FORMULATORS ARE RESPONSIBLE FOR OBTAINING THEIR OWN REGISTRATIONS

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No. 1624-1
