MONOBOR-CHLORATE. 1

NONSELECTIVE WEED AND GRASS KILLER

FOR USE ON
INDUSTRIAL SITES, HIGHWAY AND RAILROAD RIGHTS-OF-WAY, FENCE LINES,
OR SIMILAR NON-CROP AREAS.

USDA Reg. No. 1624-14

Active Ingredients:

Anhydrous Sodium Metaborate ($\text{Na}_2\text{B}_2\text{O}_4$) . . . 9.1%

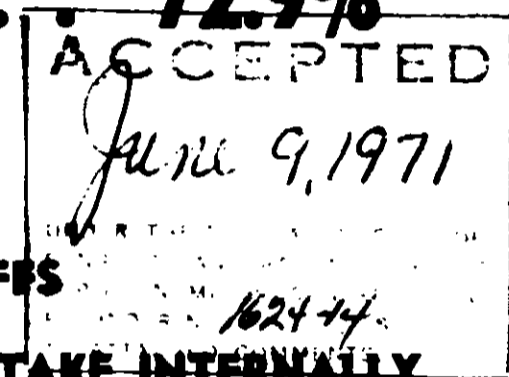

Sodium Chlorate (NaClO_3) 18.0%

Inert Ingredients 72.9%

CAUTION

KEEP OUT OF REACH OF CHILDREN
AVOID CONTAMINATION OF FEED AND FOODSTUFFS
HARMFUL IF SWALLOWED

DO NOT LEAVE MATERIAL WHERE CHILDREN OR ANIMALS MAY TAKE INTERNALLY

APPLICATION

Apply as a contact spray thoroughly wetting all parts of the plants, particularly the growing tips. Apply 1/2-1 gallon of solution per 200 to 300 square feet when the plants are young and tender (1 to 4 inches high).

NOTICE

This material is not selective in action and may be toxic to most types of vegetation and may render the soil totally or partially unproductive for an indefinite period of time. Confine use or application to specific area under treatment and avoid contact with lawns, trees, shrubs or other growing crops and plants or animal life not intended to be destroyed or affected. Do not let material blow, drift, or leach onto adjoining premises or neighboring vegetation or property. Do not use in areas underlaid by roots of valuable plants or trees, including adjacent growths.

No responsibility is assumed by the manufacturer for sterilization of the soil, injury to plant or animal life, or other result of the use of this material whether or not used pursuant to directions herein. Manufacturer does not make, and its employees and agents are not permitted to make any representations or warranties, express or implied by law, not specifically set forth on the label.

Because of the many varying conditions which may adversely affect the efficiency of this product such as climate, weather, rainfall, method and amount of application, soil composition and type of vegetation, manufacturer makes no representation or warranty with respect to results or effects of such use whether or not used or applied in accordance with directions herein contained.

Complete elimination of weeds is not guaranteed. It is advisable to consult local agricultural authorities or our field representatives on specific problems.

3075 WILSHIRE BLVD., LOS ANGELES, CALIFORNIA

Active Ingredients:

Anhydrous Sodium Metaborate (Na₂B₂O₄)	10.0%
Sodium Chlorate (NaClO₃)	7.0%
Bromacil (5-bromo-3-sec-butyl-6-methyluracil)	0.3%
Inert Ingredients	82.7%

DIRECTIONS FOR USE

HIBOR weed and grass killer should be applied without further dilution. Apply at the rate of 100 to 200 gallons per acre (Approximately 1/4 to 1/2 gallon per 100 sq. ft.) using a pressure sprayer. For control of perennial grasses and perennial broad-leaved weeds, the heavier rates are suggested. For control of annual weeds, apply HIBOR as a contact spray when plants are young, thoroughly wetting all parts of the plant, particularly the growing tips. For control of perennial grasses, such as Johnson grass, late summer or fall applications are recommended.

Do not apply HIBOR sprays on desirable plants or over the root area of desirable trees or shrubs. Avoid spray drift to susceptible plants.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Avoid contamination of feed and foodstuffs. Keep livestock and other animals off treated areas. Do not contaminate domestic or irrigation water, or waters used by fish and wildlife. Avoid contact with skin, eyes and clothing. In case of contact, flush with plenty of water; for eyes, get medical attention. Do not store near fertilizers, seeds, insecticides or fungicides.

NOTICE

No responsibility is assumed by manufacturer or seller for unproductivity of the soil, injury to plant life or other results of the use of this material whether or not used or applied in accordance with directions. Because of the many varying conditions affecting use and application, such as location, seasonal weather, soil composition and type of vegetation, manufacturer makes no representation or warranty with respect to results or effects of such use whether or not used or applied in accordance with directions herein contained. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, express or implied by law, not specifically set forth on the label. Complete elimination of weeds is not guaranteed. The buyer accepts this material subject to these terms and assumes all risk of usage and handling. It is advisable to consult state extension service or agricultural experimental station weed specialists on specific problems.
