

X

CAUTION

Avoid contact with eyes, skin, and clothing. In case of contact with the undiluted weed killer, flush eyes with water. Avoid inhaling spray mist. May cause skin irritation. Avoid contamination of foodstuffs. Do not swallow. Contains petroleum solvent. If swallowed, call a physician immediately. Do not induce vomiting.

IMPORTANT

This material is semi-selective in action, and is effective primarily on broadleaved species and annual or seedling grasses. However, some injury may occur to established grasses and treated areas may be partially or totally unproductive for a year or more. Care should be taken to confine the use or application to the particular area intended to be treated and to avoid its contact with lawns, trees, shrubs, crops, and other desirable plants which are not intended to be destroyed or injured. This includes precautions in treating areas which may be overlaid by roots of adjacent valuable growths. Careless application of this material, or washing by water run-off, to areas where desirable plants are growing or which will be used for later planting may result in injury to desirable plants. Do not drain or flush equipment on or near such areas.

Avoid spray drift to susceptible plants as this product may injure cotton, beans, peas, grapes, ornamentals, etc. (Coarse sprays are less likely to drift.) Thoroughly clean spray equipment with a suitable chemical cleaner before using for other purposes (or do not use same spray equipment for other purposes). Do not store near fertilizers, seeds, insecticides, or fungicides. Do not re-use containers—destroy by crushing, puncturing, or other means prior to disposal. Do not contaminate domestic or irrigation water.

NOTICE

No responsibility is assumed by manufacturer or seller for unproductivity of the soil, injury to plant life, or other results of the use of this material whether or not used or applied in accordance with directions.

Because of the many varying conditions affecting use and application, such as location, seasonal weather, soil composition, and type of vegetation, manufacturer makes no representation or warranty with respect to results or effects of such use whether or not used or applied in accordance with directions herein contained. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, express or implied by law, not specifically set forth on the label. Complete elimination of weeds is not guaranteed. The buyer accepts this material subject to these terms and assumes all risk of usage and handling. It is advisable to consult agricultural authorities or our field representatives on specific problems.
