ACCEPTED

JUN 9 1967

UNDER THE FEDERAL INSECTICIDE
FUNGICIDE AND RODENTICIDE ACT
FOR ECONOMIC POISON REGISTERED
ED UNDER NO. 1624-55

USDA Reg. No. 1624-55

KEEP OUT OF REACH OF CHILDREN

ANTIDOTE—Give a tablespoon of salt and glass of warm water and repeat until vomit fluid is clear, then 2 tablespoons of epsom salts or milk of magnesia in water and plenty of milk and water. Have victim lie down and keep quiet. Call physician immediately.

WARNING: Poisonous if swallowed. Avoid contact with skin, eyes and clothing. Wash off thoroughly after exposure. If on clothing, remove and wash. Avoid inhalation of spray mist. Keep children, pets and livestock away while weed killer is active. Do not contaminate waters used for domestic or irrigation purposes.

DIRECTIONS FOR USE

Apply with pressure sprayer, with continued agitation, thoroughly wetting the entire growth above the ground.

CAUTION

This weed killer contains 2, 4-Dichlorophenoxyacetic Acid. Avoid spray drift to susceptible plants as this product may injure cotton, beans, peas and ornamentals. (Coarse sprays are less likely to drift).

This product is toxic to wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, ponds and streams. Do not apply to any area not specified on the label.

NOTICE

No responsibility is assumed by manufacturer or seller for unproductivity of the soil, injury to plant life or other results of the use of this material whether or not used or applied in accordance with directions. Because of the many varying conditions affecting use and application, such as location, seasonal weather, soil composition and type of vegetation, manufacturer makes no representation or warranty with respect to results or effects of such use whether or not used or applied in accordance with directions herein contained. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, express or implied by law, not specifically set forth on the label. Complete elimination of weeds is not guaranteed. The buyer accepts this material subject to these terms and assumes all risk of usage and handling. It is advisable to consult state extension service or agricultural experimental station weed specialists on specific problems.
