C A W N

KEEP OUT OF REACH OF CHILDREN

Avoid contamination of feed and foodstuffs. Keep livestock and other animals off treated areas. Do not contaminate domestic or irrigation water. Avoid contact with skin, eyes and clothing. In case of contact, flush with plenty of water; for eyes, get medical attention.

DIRECTIONS FOR USE

This product is designed for use on railroad rights-of-way. Apply 100-150 gallons of this solution per acre. Avoid spray drift to susceptible plants.

NOTE

Because of the many varying conditions affecting use and application, such as location, seasonal weather, soil composition and type of vegetation, manufacturer warns buyer that these and other conditions may impair or vary the results or effects of the use of this product. In any event, complete elimination of weeds is not guaranteed. It is advisable to consult your State Extension Service or Agricultural Experimental Station weed specialists on specific problems. Neither manufacturer nor seller shall be liable in respect to any injury or damage suffered by reason of the use of this product for a purpose not indicated by the label or when used contrary to the directions or instructions hereon nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms, and assumes all risk of usage and handling except when used or handled in accordance with this label. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, express or implied by law, not specifically set forth herein.
