3075 Wilshire Boulevard
Los Angeles, CA 90010

Gentlemen:

Subject: 20 Mule Power® Bathroom Cleaner
EPA Registration No. 1624-110
Your Amendment Application Dated September 14, 1987

Your request to amend the registration of the above-named product to include additional areas of use is acceptable provided that you make the following labeling revision.

- Include a "Disposal" heading immediately before the disposal statements. Note that this heading must be set in the same minimum type size as required for the child hazard warning.

Submit final printed labeling for inclusion in your product file.

A stamped copy of the label is enclosed for your records.

If you have any questions, contact Ms. Ruth Douglas at (703) 557-3842.

Sincerely yours,

Jeff Kempter
Product Manager (32)
Disinfectants Branch
Registration Division (TS-767C)
